Zeitraum	May to August
Program	<p>The Luisenburg Festival opens with a commissioned work written especially for the 2018 festival season: <b>Andreas Hofer – Die Freiheit des Adlers</b> (The Freedom of the Eagle) by Felix Mitterer. This dramatic folk play about a historical freedom hero provides grand dramatic art, intense battle scenes and human drama.</p> <p>The family musical <b>The Jungle Book</b> in a reworking by Birgit Simmler may not actually play out in India, but it does bring the magic of the Indian jungle to the rocks and surprises with live music and spectacular set design.</p> <p>The tradition of successful musicals is continued with <b>My Fair Lady</b>, an evergreen of the genre.</p> <p>New by contrast is a comedy thriller with a famous character making a very special première: <b>Sherlock Holmes – Der Tod des Bayernkönigs</b> (Death of the King of Bavaria).</p> <p><b>Countess Maritza</b> and <b>La Traviata</b> are the classical music theater productions this year, which are enhanced by a concert program with well-known names.</p> <p>For more, go to <a href="http://www.luisenburg-aktuell.de">www.luisenburg-aktuell.de</a></p>
